

No. _____

IN THE
SUPREME COURT OF TEXAS

ELIZABETH BEAL

Petitioner,

v.

ROMEO VILLA AND ASTRID VILLA

Respondent.

AFFIDAVIT

State Of Texas
County of Hidalgo

Before me personally appeared Elizabeth Beal and I under oath stated the following to be true and correct, under perjury and from her own personal knowledge:

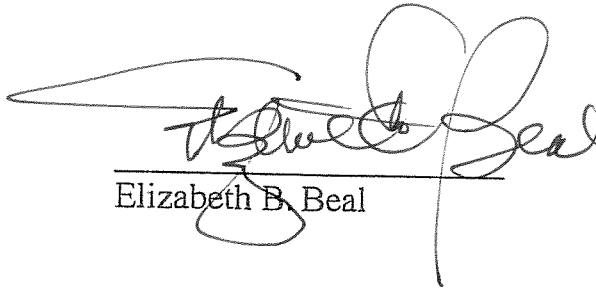

My name is Elizabeth B. Beal and I am competent to make this affidavit. I am over the age of 18 and have never been convicted of any crime.

Unfortunately, I suffered from pernicious anemia, I always fainted and I never know when I will be attacked by this illness. It happens regularly when I am under stress. It would be my desire to retain counsel; however, I am unable to do so.

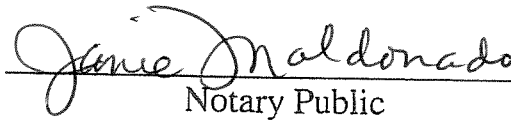

I always need to give myself some leeway, in that I know I will be having an episode again. In an abundance of caution, I am asking for these few days so as to try to be able to deal with the inevitable and not cause future delays.

I will be attempting to finalize the petition within the allowed days.
Knowing my condition, I am taking all of the necessary precautions.

Affiant further said naught.

Elizabeth B. Beal
